Ayy I'm killin' zombies here! With the bridges and tunnels out, the island of Manhattan now has a limited supply of zombies. If we native New Yorkers use our knowledge of the city, we could track down where both the living and the dead locals are hiding. To start, let's try to recruit a private investigator I know. Hope she's sober and, well, alive!

Tiles needed: **3V, 4V, 5R, 6R, 7V, 8R**
