

# MISSION HERO MODE

## THE LONG WAY AROUND

### EASY / 4 SUPER HEROES

This Mission requires the rules and components found in

- MZ Heroes Resistance

Designed by: **LibraSeth**

**It's locked! Spider-Man said there is a secret underground bunker beneath Oscorp, but every building on this block is on lockdown. He also said Norman Osborne has a secret back entrance for him to access. We need to grab as many citizens as we can and get down there! Strange how Spidey knows so much about this building.**

Tiles needed: **1R, 2R, 3V, 4R**

## OBJECTIVES

Accomplish these objectives in any order:

- **Save who you can.** Each Super Hero must rescue a bystander.

Then,

- **We're in!** Escape through the Exit Zone. Any Super Hero may leave through the Exit Zone at the end of their turn if there are no enemies in it.

## SPECIAL SETUP

- **Long-distance runners.** Spawn 2 runners on each spawn point.

## SPECIAL RULES

- **Extreme security.** Red Doors cannot be opened.
- **Hidden door.** The Green Door cannot be opened by a Super Hero inside a building.
- **Oscorp teleport defense tech.** The Super Hero that opens the Blue Door is immediately placed on the first spawn point.
