CAMPAIGN TITLE

Campaign introduction goes here. For example: *Campaign Title* is a 7-Mission campaign created for *Core Set* and *Expansion*. In the campaign body text, *Titles* are italicized. To make room for more information on less pages, campaign body text font-size is 1 point smaller than mission body text; 8 pt instead of 9 pt. If you want to make it match, increase the font-size of all campaign body text boxes to 9 pt.

Narrative text goes here... Okay, here's the situation. My parents went away on a week's vacation and they left the keys to the brand new Porsche. Would they mind? Umm, well, of course not. I'll just take it for a little spin and maybe show it off to a couple of friends. I'll just cruise it around the neighborhood. Well, maybe I shouldn't... Yeah, of course I should. Pay attention, here's the thick of the plot: I pulled up to the corner at the end of my block. That's when I saw this beautiful girlie girl walking. I picked up my car phone to perpetrate like I was talking. You should've seen this girl's bodily dimensions! But she was a zombie.
